

Dear Master Teachers of Magnified Healing®

PLEASE MARK YOUR CALENDAR! Teacher Training 3rd Phase!

October 16, 17, 18, and 19 (Wed – Sat) Philadelphia, PA. Sunday October 20th Celebration Workshop and Celebration!!

3RD PHASE 'LIGHT HEALING' TEACHER TRAINING (TT) WORKSHOP (4 days).

The 3rd Phase 'Light Healing' Teacher Training workshop is an interactive experience. Each student will prepare an assignment for presentation at the workshop based on the teachings of the 3rd Phase. There will be discussion, questions, meditations and answers around these powerful concepts of third phase. This workshop is designed to both teach you how to present the 3rd Phase 'Light Healing' Practitioner workshop and to understand it at its most profound level. We will be incorporating ancient teachings and concepts. Embodiment of these teachings through discussion and guided meditations will anchor the sometimes complex material. You will receive a most beautiful Holy Spirit initiation. Once you are initiated, you are immediately empowered to teach the 3rd Phase 'Light Healing' Practitioner workshop all over the world. No waiting period.

We will review the 1st phase as it is the foundation for the opening of the energies of the 3rd phase. Please bring questions. There are a few new hand motions and the use of sacred names has been added to the practice. These are very wonderful additions to facilitate the building of your Light body.

Rev. Gisele King, co-originator, has written several new articles which we will go over. One is on the connection of the nervous system another is on the five higher bodies.

As per these pre-requisites, if you qualify to take the **TT workshop**, please send your request to attend together with your Registration Form and color copies of all your certificates by e-mail to me, Jan Pemberton at janpemberton888@gmail.com before the **deadline of July 8th, 2019**, and I will immediately send you a formal Letter of Invitation. Please send your Registration Form by e-mail attachment only – **not** as an e-mail text, and in **MS Word** – not pdf or other program.

*Please note that the Celebration workshop is now a pre-requisite for the 3rd Phase 'Light Healing' Teacher Training workshop. Our Beloved Kwan Yin has requested that all teachers of the 3rd Phase be certified to teach the Celebration workshop and direct a Celebration Ceremony. If you are interested in the TT 3rd Phase and have not certified in the Celebration please contact me. We are offering the Celebration and Workshop on Sunday 10/20. This would meet the requirement. *

For those of you, who have already taken the TT workshop and wish to review it, please also send the Registration Form and color copies of all your certificates to Jan Pemberton by the same deadline, **July 8, 2019.**

The **CELEBRATION WORKSHOP AND CELEBRATION CEREMONY** will be held on **Sunday, October 20, 2019.**

The Celebration Ceremony is a beautiful community event where we offer the Magnified Healing® energies to the public and our family and friends. Participants must be over 14 years old. Anyone who has been initiated in the 1st Phase of Magnified Healing® can participate. Please register by **September 26, 2019**

This workshop is in two parts – the theory (workshop) and the practice (Ceremony) and the students have to participate in both in order to be certified. The certificates will be given at the end of the Celebration Ceremony. The students of the Celebration workshop and those who will review will facilitate at the Celebration Ceremony and will be given priority of positions in the Temple of Healing.

Other Magnified Healing® practitioners who wish to come and facilitate at the Celebration Ceremony, please let us know on the Registration Form. We will do everything possible to give you a part in it.

It is very important that you advise us in time if you want to be a facilitator at the Celebration Ceremony so that we can assign your position in advance and send you the words to memorize. No papers are allowed once the facilitators are in line for the Temple of Healing. Also, there is one position in the Temple of Healing that we can offer to a pregnant woman, or someone in a wheelchair or who cannot stand for a long period of time. We will provide a chair to facilitate that position sitting down instead of standing up. Please advise me by e-mail before the deadline.

*We also need your height because some of the positions need a taller person. Deadline to advise us (on the Registration Form) if you wish to be a facilitator at the Celebration Ceremony: **September 26, 2019**. Please include your height.*

The general public (over 14 years old) is invited to come to the Ceremony to experience the energy of Magnified Healing® and receive a healing. Bring your family and friends.

As it normally takes over 6-8 months to organize that particular workshop kindly pay close attention to the different deadlines. This will ensure the smooth and proper organization of this workshop. Thank You!

I look forward to exploring and sharing this wonderful work with you!

Blessings and Light
