Individually from our homes, we will invoke Kwan Yin and request all of you to join in to both receive and give healing. Start your daily Magnified Healing® or other practice including healing for Mother Earth and healing for Medical Professionals working with patients and the patients themselves, and all the World's people using First or Third Phase Magnified Healing® or other modality and finish by saying a prayer or chanting AUM or OM. - Led by Vidula & Myra <https://www.facebook.com/reikihealingcenter/>

From Our Various Pathways Join Group Distance Meditation on Becoming Free: Sunday, March 29th 2-3PM

We all have auras around us. One is the aura of becoming. In discussion with my brothers and sisters in the spirit we agree that is possible to send protection and healing via this aura.

Understand that we are made up of atoms in motion. As they move through us, they take up the job of being us from the atoms which are leaving. How they do that just depends on the pattern they are given to follow. Without intervention, an incoming atom will reproduce the pattern of a hurt foot because that is what the atom before it did, unless it is given a better plan to follow.

So, embed protection in the aura of becoming by envisioning exclusion of that which does not fit the well-being of the person. Embed a template of the person from the time that he/she was in good health, so that will be the positive pattern incoming atoms will follow.
