Attunements for online Reiki and Karuna Reiki® classes can be received on August 14th or 15th at our Usui Birthday Celebration, or other days by appointment before, during, and/or after the class. www.reikihealingcenter.org myra@reikihealingcenter.org

Annual Usui Birthday Celebration August 14th and 15th 2020

We are planning to celebrate our Annual Usui Birthday Party on these dates –We will offer some presentations, meditations, chanting, and reiju blessings for ALL on ZOOM and in person for those who have pre-registered. On Friday and Saturday in-person attunements will be offered by appointment for those who have done online classes, are enrolled in current classes, or have paid for future Reiki or Karuna Reiki® classes.

For Friday, August 14th we will use an indoor space for in-person reiju and attunements with 10- minute appointments for reiju/attunements, and only 2 people permitted at a time by appointment. Reiju can be scheduled for those Reiki practitioners who have already taken classes with Myra who are unable to come on Saturday.

For Friday, August 14th over ZOOM 5:30-8:30 pm – Reiju will also be offered for all attendees along with presentations, meditations, & chanting.

For Saturday, August 15th we have reserved a covered pavilion at Ridley Creek State Park and will hold the event outdoors, rain or shine under the pavilion. Outdoor events are much safer than indoor events. Everyone must practice safe social distancing and wear masks. The pavilion has 5 rows of picnic tables (2 tables per row), so you will have plenty of room to spread out. There will be presentations, chanting, meditations, and reiju for all who attend. If preferred we can offer the presentations, chanting, reiju, and meditations ZOOM. Please let us know your preference and availability.

For in-person, we are staggering the times for attendance so there aren't too many people there at one time. We'll ask you to register your preferences for specific time slots. For example, if you can come during 2 or more time slots, letting us know will help us to space people better and no one needs to be there longer than necessary. Also, we can plan to offer other events as part of the day.
